

Prime Minister Phạm Minh Chính
No.16 Le Hong Phong Street
Ba Dinh District
Hanoi city 10000
VIETNAM

Dear Prime Minister,

Trinh Ba Tu is a young activist who is active in the land rights movement along with his mother Can Thi Theu and his brother Trinh Ba Phuong. In June 2020, Trinh Ba Tu, his mother and brother were arrested for their posts on social media denouncing human rights violations in Viet Nam.

Trinh Ba Tu was sentenced to 8 years in prison and 3 years' probation in May 2021. In September 2022, he went on hunger strike for 22 days in protest of his ill-treatment by prison staff.

I call on you to ensure that the politically motivated charges against Trinh Ba Tu are dropped and that he, his mother and his brother are released. In the meantime, please ensure that prison conditions are improved and that the ill-treatment of prisoners in No. 6 prison, Nghe An province, is stopped.

Yours sincerely,
